## COMING SOON:

**The Visia Complexion Analysis System**  
The Visia System's photographic diagnostic tool determines the condition of your skin, by providing customized reports and recommendations for rejuvenating your complexion. Analysis measures critical areas of skin treatment: wrinkles, spots, pores, color evenness, UV spots and evidence of bacteria. Give us a call to schedule your session next month!

## SPOTLIGHT ON:

Dr. Hochman is hosting a symposium June 5th for Physician's from North and South Carolina. It will be an educational meeting focused on Hemangiomas. Be sure to mention it to your Pediatrician, General Practitioner or Dermatologist! This is all a part of the mission of The Hemangioma Treatment Foundation.
